

Luke Schlafly

Managing Director, Global Head of Insurance Investment
Solutions, Americas
PineBridge Investments, New York

Mr. Schlafly joined PineBridge in 2016 and leads the firm's global insurance business, with a focus on providing strategic investment solutions to a broad range of insurance companies. He was previously a Vice President within Business Development at Deutsche Asset Management, where he was responsible for establishing new relationships and advising on a full range of asset classes to the firm's insurance sector clients in the US and Canada. Mr. Schlafly holds a BS in Finance from Boston College's Carroll School of Management. He is also a CFA charterholder.
