Sharon Harder
Vice President –
Home and Community-based Care

Sharder@cantoncompany.com

Sharon Harder, Principal of Home Health and Hospice Care for Canton and Company, has three decades of senior management experience focused on post-acute care with significant emphasis on compliance and process improvement. She is a nationally recognized speaker, compliance expert and board member for the Association of Home Care Coding and Compliance. She is also an accredited ACHC home health and hospice consultant.

She has served in senior leadership positions in several large, multi-state Medicare-certified home health organizations with revenues in excess of \$50 million.

As the President of C3 Advisors, LLC, Sharon oversees all home health and hospice client projects, the majority of which are focused on compliance issues including ongoing scheduled compliance audits and preparation of responses to investigations and data requests. She works with several compliance committees and attorneys for client organizations on home health and hospice compliance matters and participates in wage and hour compliance reviews.

Over the last 10 years, Sharon has helped hundreds of home health, hospice, and long-term care providers with process redesign and efficiency improvement, compliance reviews, pre-acquisition due diligence, response to Medicare contractor investigations, operational reporting, and technology optimization.
